Care with Compassion, Cure with Commitment

About us

Kindness is the path that leads to real change.

Founded in 2023, RCF Trust stands committed to uplifting communities through dedicated efforts in education, healthcare, and social welfare. Guided by empathy and driven by purpose, we work tirelessly to reach those who need support the most.

Our mission is simple yet powerful to bring hope where it's fading and opportunity where it's missing. Through our volunteer network and community programs, we strive to ensure that no one is left behind.

At RCF Trust, change isn't just a dream. it's a daily action. From distributing food and essentials to organizing health awareness drives and educational programs, every step we take is a step toward dignity, equality, and compassion. Together, we're building a world where helping others becomes a way of life.

Care with Compassion, Cure with Commitment

Our Volunteers

At RCF Trust, our volunteers are the heart of every initiative. They are not just helpers, they are changemakers who bring hope, care, and compassion to every corner they reach.

With their unwavering dedication, our team of volunteers recently organized free medical camps for underprivileged families, ensuring access to basic healthcare and awareness for those who need it most.

From arranging medical check-ups and distributing medicines to spreading health education, they have worked selflessly to serve humanity.

Every smile they bring and every life they touch is a reminder that true service begins with empathy.

Their commitment inspires us all to keep moving forward one act of kindness at a time.

Free Medical Camp

On Sunday, 29th December 2024, Raah to Cure Foundation Trust successfully organized a Free Medical Camp at Jama Masjid, Gali No. 24, Tughlaqabad Extension, dedicated to serving the underprivileged section of society. The camp was inaugurated by Mr. Shakeel, President of the mosque, by cutting the ribbon to mark the beginning of this noble initiative.

The camp brought together a passionate team of doctors and volunteers who devoted their time and expertise to ensure quality healthcare for all.

Dr. Shoaib Ahmad (Dermatologist), **Dr. Zeeshan**, and **Dr. Waseem** served as consultants, offering valuable medical advice and treatment. Alongside them, **Dr. Rifaqat Ali** (President, RCF Trust), **Dr. Muhammad Arif** (General Secretary), **Dr. Muhammad Hamid** (Vice President), **Dr. Adnan Shameem** (Treasurer), (Spokesperson), and **Muhammad Salman** (Joint Secretary) **Dr. Muhammad Aqib** not only provided medical assistance but also efficiently handled all administrative responsibilities to ensure the camp's smooth functioning.

Supporting them were dedicated **young volunteers Dr. Zubair, Dr. Imran, Dr. Fahad Khan, Dr. Zanish, Dr. Areena Azmi, Dr. Arisha Mariam, Dr. Dilshad Fatima, Dr. Subhani Firoz, and Dr. Kareema** — whose contribution made the camp a true success. Together, they offered free consultations, medicines, blood pressure and blood sugar tests to the local residents, bringing relief and smiles to many faces.

Through such efforts, Raah to Cure Foundation Trust continues to serve humanity with compassion and dedication — working not only in healthcare but also in education and social welfare to uplift the poor, orphaned, and needy sections of society.
