It is with immense pride and gratitude that I address you as the President of Raah to Cure Foundation Trust.

Message from Gen. Secretary

It is with great pride and gratitude that I extend my heartfelt greetings to you on behalf of Raah To Cure Foundation Trust. From the very beginning, our mission has been to bring positive change in multiple sectors, including healthcare, education, social welfare, and community development, ensuring that no one is left behind.

Our organization is built on the belief that true progress happens when communities are empowered, and every individual gets the opportunity to lead a dignified life. We have undertaken numerous initiatives, from providing medical assistance and educational support to underprivileged children to promoting social welfare programs and supporting marginalized groups.

None of this would be possible without the dedication of our hardworking team, the generosity of our donors, and the encouragement of our well-wishers. Your support fuels our determination to continue serving those in need and expanding our reach.

As we look ahead, our vision remains clear: to build a society where compassion, education, and healthcare are accessible to all. We believe that with collective effort, we can create a lasting impact and uplift lives for generations to come.

Thank you for being a part of this incredible journey. Together, let's continue to make a difference!

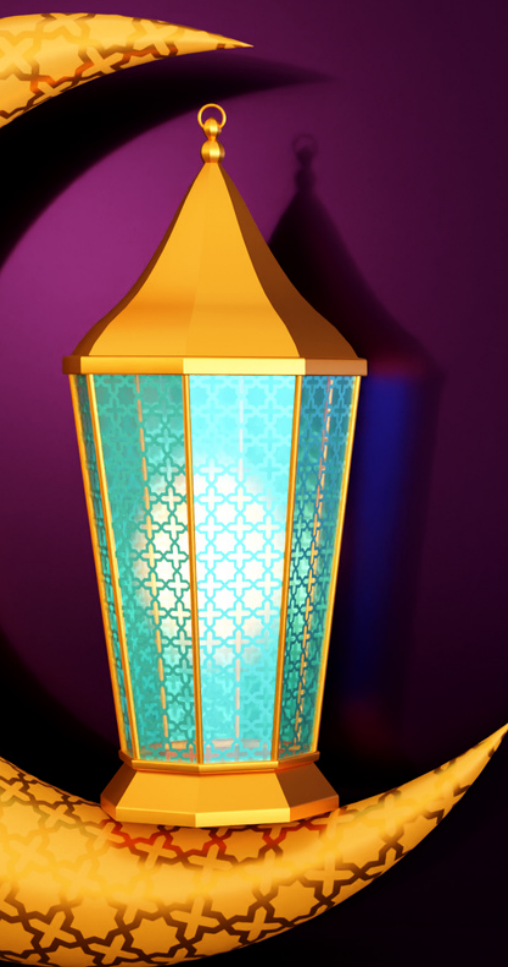

With gratitude and commitment,

Dr Mohammad Arif

A decorative illustration on the left side of the poster shows a golden lantern with a blue and white geometric pattern, resting on a golden crescent moon. The background is a dark purple gradient.

Ramzan is a sacred month of fasting, reflection, and compassion. It reminds us of the importance of sharing kindness and supporting those in need.

For the very first time, RCF Trust organized a Ramadan Kit Distribution Drive in the holy month of Ramzan 2024. The initiative aimed to provide relief to poor, marginalized, and needy families, ensuring they could observe the month with dignity and comfort.
